EXPERIENCE

Urban Designer

Design+Planning

📅 Oct 2015 - Mar 2016 📍 Sydney, Australia

Design+Planning is a boutique urban design and town planning studio, focusing on master planned communities and residential subdivisions

- Developed the Gregory Hills Master Plan, Sydney's newest residential estate for 2,600 homes in accordance with regional Development Control Plans/Growth Centers

Town Planner

Leighton Holdings (Visionstream)

📅 Aug 2014 - Oct 2015 📍 Sydney, Australia

Visionstream provides civil and service upgrades for major telecommunication and industrial networks

- Upgraded over 700 4G LTE sites for Optus-Singtel by leading a team of radio designers, site designers and installers across the country

Urban Planner

Zhenfa Australia

📅 Mar 2012 - Aug 2014 📍 Sydney, Australia

Zhenfa specializes in photovoltaic power integration systems for commercial, government and utility projects

- Achieved ISO9001 and ISO14001 quality and environmental standards accreditation on behalf of the company
